15th September 2017

Dear Parents/Carers

On **Wednesday 27th September** Swallows Class from Gedney Hill will be joining the Eagles Class for a Planetarium Show.

This is a **free event** and in order to provide this experience we do appreciate it when you make voluntary contributions to other activities.

This is a very exciting opportunity for the pupils as the video presentation is in full HD, accurately showing the position of stars and planets. You can find more information at: <http://www.auriga-astronomy.com/>

The children will see three shows on the day and each show will last for about 45 minutes. These shows are called;

- Earth, Sun and Moon
- Man in Space
- Are we Alone?

On the day, children will also be taking part in other Topic related activities such as;

- Tasting astronauts food
- Making a sundial
- Learning about the constellations

The whole event will be at school, so school meals can be ordered as normal.
