

Shepeau Stow Primary School

Dear Parents,

This week the children in Penguins, Puffins and Robins are talking about China. Their work is based around Chinese New Year which falls next week during half term. The rest of the school will also be having a Chinese New Year focussed day, Shepeau Stow on Thursday and Gedney Hill on Friday. There will be lots of cooking and practical activities going on. If your child requires any specific ingredients because of allergies, please let Mrs Buddle know as soon as possible and she will try her hardest to find them.

Kind Regards
